

**TOWN OF MOULTONBOROUGH, NEW HAMPSHIRE  
6 Holland St  
Moultonborough, NH 03254**

**ASSESSING SERVICES FOR VALUATION OF UTILITY PROPERTIES**

**ADDENDUM #1 – May 30, 2014**

**1.) THERE IS NO CHANGE IN THE BID DUE DATE!**

**2.) THERE IS NO CHANGE IN THE PROPOSAL FORM!**

**Question #1:** The contract term is stated as five years to run from September 1, 2014 through August 31, 2019. Is this to be interpreted as the first year revaluation will be as of April 1, 2015 and will be due to the Town by September 1, 2015 for inclusion in the MS-1? It is unclear if any values are expected for calendar year 2014.

**Answer:** Yes: the first values to be established will be as of the date of April 1, 2015. However, that value will be due to the Town by August 20, 2015 for our inclusion in the MS-1 due in to the stage by September 1, 2015. (See Scope of Work 4.4.) This follows on the informal hearings to be completed by August 15, 2015 (See Scope of Work 4.3). The annual updates follow on the same time-lines.
